

“The Lord directs our steps, so why try to understand everything along the way?”
Proverbs 20:24 NLT

[lectio] // PROVERB 20:27-30

listen to the text by reading out loud slowly and repeat

[meditatio]

reflect on – what word, words, phrase, or sentence speaks to you
then write them down

absolutely true! this wasn't my verse for the day, but it caught my attention. how can I take advantage of what & where God has me? I must finish the book. I must remain positive. I must continue to push out so my "nine" walls don't fall in and flatten me.

[oratio]

pray as responding to the words, phrase, sentence that God has stirred within you

Dad,

Everyday now I wonder what the future holds. I don't want to miss YOU and LIFE happening right along side my attitudes and frustrations. Your word makes a great point, "why try to understand?" My brain or personality is fixated on "fit" patterns of resolution, purpose of chaos and a sense of solution. You made me this way for a reason, but it seems it often works against me.

[contemplatio]

rest in the presence of God, allowing the words revealed to take root
